

IMPORTANT NOTICE

For Std. VIII/IX/XI

Dear Parent,

As you are aware that CBSE is conducting Term-I Examination of Std X & XII for the first time in schools.

Our school has also been made a self centre for our students.

Hence we need to make arrangements for conducting this exam as per instructions of Board maintaining Covid Protocols.

The arrangement requires to have very less no. of students in one room because of safety reasons so it will be difficult to carry on with offline classes for the span of examination starting from Nov. 30, 2021 to Dec. 21, 2021.

However remaining sensitive towards the studies of our students of VIII/IX/XI school will be carrying on with online mode having single group for every class from Nov. 29, 2021 onwards.

The related schedule will be conveyed to you shortly on respective class website. Students are advised to keep checking their respective class webpage.

From 22nd Dec. 2021 school will resume offline classes as usual.

Please Note :- As common teachers are to be allotted as Invigilators/Evaluators and for taking classes so there will be only 4 Pds instead of 5 Pds for this span. In case of non-availability of teacher for any reason class may get cancelled also.

Your cooperation is solicited as always.

All the Best !
