## PHOTOGRAPHY Competition "Life's Camera" (VI - XII)

**Dear Parents,**

The reminiscences of the prodigious participation of the students in the **Photography Workshop** that had been organized during the Summer Camp, 2021, has invigorated the plan for conducting a **Photography Competition – Life's Camera**, for the students of **VI – XII**, whereby the best shots will be rewarded.

The students need to submit their entries on various themes by **November 13, 2021, Saturday**, by filling the Google Form and uploading their pictures through the same. Please find attached herewith, the link of the Google Form.
