

Dear Parents

Greetings from Team Warren!

This is to inform you that with reference to the notice issued by the Govt. of Rajasthan dated 31-01-2022, we have already opened the school for **Std. X, XI & XII**. As per the guideline. Now, we are happily resuming the school in (OFFLINE MODE) for **Classes-VIII & IX also from 10th February, 2022.**

It is mandatory to take the print out of the consent form provided in the link given below.

<https://drive.google.com/file/d/1pcN8xuZUNfNMF9PU12AeOk0ZvUHeuG1V/view?usp=sharing>

Please note it is compulsory for all students to carry the hard copy of the consent form duly signed by the parents along with them on their arrival in school on **February 10, 2022. (Arrival - 8:00 am / Departure - 1:30 pm)**

Further to this we request all parents to encourage the students to attend classes on regular basis either offline or in live streaming. Attendance in the classes is mandatory because when we will have students regularly in our touch then only we will be able to cover their learning gap and provide them required support. Also students final examination will be subjective type for which we want to provide them necessary practice.

FOR TRANSPORTATION

School has reopened several times and has tried to provide transport facilities too but due to the unprecedented situation the consistency is not being maintained. However in case you require school transport we request you to kindly contact the **Transport Head Mr. Bhupendra - 9829016736** for availing the same.

Please go through the following SOP very carefully and encourage your ward to follow the same after he/she arrives in school.

SOP FOR RE-OPENING (VIII & IX) SCHOOL ENTRANCE

1. A thermal scanner will be available at each gate to check body temperature before entering school premises.
2. Hand sanitizer at the entrance of each gate will be available to ensure hand sanitization. Sanitization will be done properly before entering school premises.
3. Consent form must be filled/deposited by the students at the consent form collection counter only. And if any student is found without consent form then the pink slip has to be filled by the teacher (Name, class, day, date and full sign of the teacher) and given to the student to handover to the respective class teacher.
4. No overcrowding at the gate will be allowed.
5. Only one child at a time will be allowed to enter through the gates. Same protocol will be followed for all faculties as well as outsiders.
6. A strong observing team will be available at the entry to check for the symptoms related to the disease (if any).
7. Touching of feet while arriving and departing is strictly not allowed.
8. While moving in and out of the premises students have to maintain social distancing.
9. No mask: No entry system will be followed strictly. Kids need to bring an extra mask along with them.
10. It is mandatory for all children to get their lunch boxes with them.

ARRIVAL AND DEPARTURE

11. Self commuters arriving by cycles will move slowly for availing the parking within premises (cycle stand area).
12. No grouping at the time of arrival and departure.
13. No holding/shaking of hands is permitted.
14. Social distancing with minimum 6 feet distance to be observed strictly.
15. No grouping outside the school premises within the colony area.
16. No one is allowed to purchase anything within 1 km. of outer area of school.
17. Strict actions will be taken for not following the norms.
18. **Students who do not have their school uniform are suggested to wear black/white T-shirts and jeans (blue/black) with proper woolen.**
19. **Mobile phones are strictly prohibited except for those who commute by cab. Once confiscated will not be returned.**

SOP FOR ONLINE STUDENTS

1. The online students do not need to tab / raise their hand again and again, they can write the queries in the Q & A box. Their question will be answered as soon as the teacher reads it.
2. The online students need to turn on their cameras in all classes.

SOP for Medical Surveillance:

1. COVID-19 symptoms will be under check by medical staff.
2. Share all information with your teacher about your medical and travel history. (If any)
3. Staff & students will be made aware of the symptoms of common air-borne and influenza type diseases through posters and signage.
4. Students need to bring their own water bottles.
5. Sanitization of drinking water areas & taps will be followed every hour.
6. Students will ensure zero mouth contact with taps.

DO'S AND DON'T

1. Windows & air-vents will remain open to let sunlight & fresh air in.
2. Students have to give their seating as per allotted seat only.
3. They are not allowed to roam in the class for safety reasons.
4. No sharing of food and water bottles is allowed.
5. Tissues and hand sanitizers and napkins are to be brought by self.
6. No one is allowed to move without permission.
7. No sharing of stationery items and notebooks is allowed.
8. Washrooms to be used with prior permission.
9. No activity that involves physical contact will be allowed.
