

# CIRCULAR REGARDING ONLINE ACTIVITIES

## Class-VIII

### Dear Parents,

The online platform adopted as the learning medium in the past few years has definitely given us an edge over traditional classroom learning, making the best possible use and drawing the constructive outcomes in the form of enhanced learning.

With a view to provide a skill based learning program to our young enthusiasts, we are coming up with skill enhancement classes to be conducted on Sundays in the form of Online Activity Classes for Class VIII initially, which will later be extended to other classes as well.

We envision that the Online platform will complement the regular classes and help the students in drawing the benefits of learning from home.

We will start with the Dance and Fine Arts classes on Sunday, 6 November, 2022, with Life Skills and Personality Development classes being added in the list later.

Kindly go through the guidelines given below for further understanding.
